

# Cefixime and Lactic Acid Bacillus

## Cefiklein-LB

### PRODUCT INFORMATION LEAFLET

Brand Name: **[Cefiklein-LB]**

Generic Name: Cefixime and Lactic Acid Bacillus Tablets

Strength: Cefixime 200 mg + Lactic Acid Bacillus (approx. 60 million spores)

Dosage Form: Film-Coated Tablets

---

### COMPOSITION

Each film-coated tablet contains:

- Cefixime IP ... 200 mg
- Lactic Acid Bacillus (approx.) ... 60 million spores

Excipients: q.s.

---

### DESCRIPTION

Cefixime is a third-generation cephalosporin antibiotic effective against a broad range of Gram-positive and Gram-negative bacteria.

Lactic Acid Bacillus helps restore and maintain the natural balance of intestinal flora, reducing the risk of antibiotic-associated diarrhea and supporting gut health.

---

### INDICATIONS

Used in the treatment of:

- Upper and lower respiratory tract infections
- Urinary tract infections
- Otitis media
- Pharyngitis and tonsillitis
- Typhoid fever
- Skin and soft tissue infections
- Diarrhea due to imbalance of intestinal microflora caused by antibiotics

---

## **DOSAGE AND ADMINISTRATION**

Adults and children over 12 years: One tablet once or twice daily, or as directed by the physician.

Take the medicine with or without food.

Lactic acid bacillus helps reduce the chances of diarrhea; complete the full course as prescribed.

---

## **CONTRAINDICATIONS**

- Known hypersensitivity to cephalosporins, penicillins, or any component of the formulation.
- Not recommended in patients with a history of antibiotic-associated colitis.

---

## **PRECAUTIONS**

- Use with caution in patients with renal impairment.
- Caution advised in patients with gastrointestinal diseases.
- Probiotics should not be used in severely immunocompromised individuals unless advised by a physician.

---

## **SIDE EFFECTS**

Common:

- Diarrhea
- Nausea
- Abdominal discomfort
- Flatulence

Rare:

- Rash or allergic reactions
  - Severe diarrhea (pseudomembranous colitis)
  - Fungal infections due to imbalance in gut flora
-

## **STORAGE INSTRUCTIONS**

Store below 25°C in a dry place.  
Protect from light and moisture.  
Keep out of reach of children.

---

## **PRESENTATION**

Box of 10x10 tablets in Alu-Alu pack

---
