

Telmisartan Tablets

Telklein-40

Product Overview

Product Name: **Telklein-40**

Formulation: Telmisartan Tablets

Strength: Telmisartan 40 mg

Dosage Form: Tablets

Composition per Tablet

Each film-coated tablet contains:

- Telmisartan IP ... 40 mg
- Excipients ... q.s.

DESCRIPTION

Telmisartan is an angiotensin II receptor blocker (ARB) used in the treatment of hypertension (high blood pressure). It works by blocking the action of angiotensin II, a substance that causes blood vessels to constrict. By relaxing and widening blood vessels, Telmisartan helps lower blood pressure, improves blood flow, and reduces the risk of cardiovascular complications such as stroke and heart attack.

INDICATIONS:

Used in the management of:

- Essential hypertension (high blood pressure).
- Reduction of cardiovascular risk in high-risk patients.
- Prevention of cardiovascular events in appropriate patients as advised by the physician.
- Long-term blood pressure management.

Dosage & Administration

Adults:

One tablet once daily or as directed by the physician.

The tablet may be taken with or without food, preferably at the same time each day.

Do not exceed the recommended dosage without medical supervision.

CONTRAINDICATIONS

- Hypersensitivity to Telmisartan or any component of the formulation.
- Pregnancy, particularly during the second and third trimesters.
- Severe hepatic impairment or cholestatic disorders.
- Concomitant use with aliskiren in patients with diabetes mellitus.

PRECAUTIONS

- Monitor blood pressure and kidney function regularly.
- Use with caution in patients with renal or hepatic impairment.
- Monitor serum potassium, especially in patients with kidney disease or those taking potassium supplements or potassium-sparing diuretics.
- Avoid dehydration, which may increase the risk of hypotension.
- Use during pregnancy only if clearly indicated, as advised by the physician.

SIDE EFFECTS

Common:

- Dizziness.
- Headache.
- Fatigue.
- Back pain.
- Hypotension (low blood pressure).

RARE:

- Hyperkalemia (high potassium levels)
- Impaired kidney function
- Allergic reactions, including angioedema
- Syncope (fainting)

STORAGE INSTRUCTIONS

Store in a cool, dry place below 25°C.

Protect from direct sunlight and moisture.

Keep out of reach of children.

PRESENTATION

Alu Alu pack containing 10 × 10 tablets.
